

The Alternative University

Featuring President Robert O. Davies & Dr. David J. Staley

Join Central Michigan University President Robert O. Davies and Dr. David Staley for a conversation about innovative visions of higher education.

Dr. Staley is director of the Humanities Institute and associate professor of history at The Ohio State University. His book, *Alternative Universities: Speculative Design for Innovation in Higher Education*, examines opportunities to re-envision the university. What do the universities of the future look like? What will the students of the future need? Will their universities have buildings, gen ed, or traditional disciplines?

This event is co-sponsored by the President's and Provost's Fund for Program Innovation and Excellence and the College of Liberal Arts and Social Sciences Critical Engagements initiative, which brings together students and faculty from across campus to consider pressing issues and challenging topics such as this year's theme, Fake News: What Do We Know and How Do We Know it?
